

SARDAR PATEL

INTERNATIONAL SCHOOL

“ Innocence to humanity ”

SARDAR VALLABHBHAI PATEL, Iron Man of India.

Who was known for his

- Leadership qualities.
- Initiativeness.
- Basic intelligence.
- Goal setting.
- Team building.
- Categorisation (Sagacity)
- Clarity on Objectives & Vision.
- Unification of India.

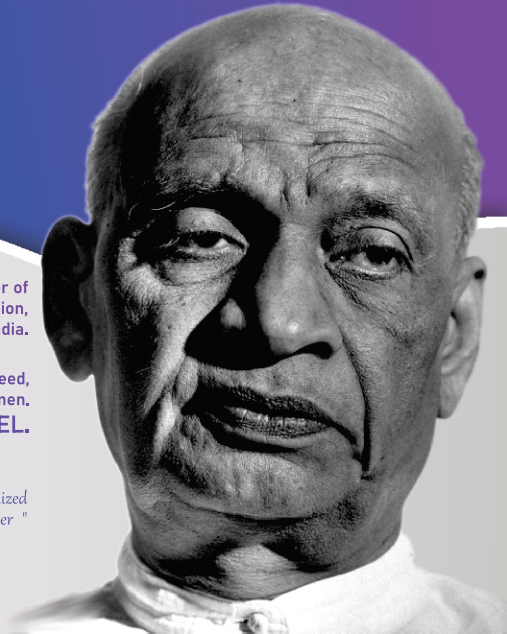

He brought about the merger of hundreds of princely states with the Indian union, and became the architect of the integrity of India.

Honest in word and deed, he was a hero among heroes, a lion among men.

The Great personality is known as **SARDAR PATEL**.

"Manpower without unity is not a strength unless it is harmonized and united properly, then it becomes a spiritual power"

-Sardar Vallabhbhai Patel

आज हम जिस विशाल भारत को देखते हैं उसकी कल्पना बिना वल्लभ भाई पटेल के शायद पूरी नहीं हो पाती। सरदार वल्लभ भाई पटेल एक ऐसे इंसान थे जिन्होंने देश के छोटे-छोटे रजवाड़े और राजघरानों को एक कर भारत में सम्मिलित किया भारतीय स्वतंत्रता संग्राम की जब भी बात होती है। सरदार पटेल का नाम सबसे पहले ध्यान में आता है। उनकी दृढ़ इच्छा शक्ति, नेतृत्व कोशल का ही कमाल था की 600 देश रियासतों का भारतीय संघ में विलय कर सके।

भारत के प्रथम गृह मंत्री और प्रथम उप प्रधान मंत्री सरदार वल्लभ भाई पटेल को लोह पुरुष का दर्जा प्राप्त था उनके द्वारा किये गये साहसी कार्यों की वजह से ही उन्हें लौह पुरुष और सरदार जैसे विशेषणों से नवाजा गया। बिस्मार्क ने जिस तरह जर्मनी के एकीकरण में महत्वपूर्ण भूमिका निभाई उसी तरह वल्लभ भाई पटेल ने भी आजाद भारत को एक विशाल राष्ट्र बनाने में उल्लेखनीय योगदान दिया। बिस्मार्क को जहाँ जर्मनी का आयरन चांसलर कहा जाता है वही पटेल भारत के लौह पुरुष कहलाते हैं।

वल्लभ भाई पटेल का जन्म 31 अक्टूबर 1875 को गुजरात के नाडियाड में उनके ननिहाल में हुआ व खेडा जिले के कारमसद में रहने वाले झावेर भाई पटेल की चौथी संतान थे उनकी माता का नाम लाडबा पटेल था।

सरदार पटेल का निधन 15 दिसम्बर 1950 को मुंबई में हुआ था। आज हमारा समाज ऐसे ही लौह पुरुष की तलाश में है जो समाज में किसी भी कीमत पर एकता लाने में सफल हो।

" वासुदेव कुटुम्बकम् "

की भावना से उन्होंने भारत को एक नया मुकाम दिया।

WE DO NOT TEACH, WE EDUCATE

What makes us to explore ourselves to give one more opportunity for our proud city 'INDORE' to be No. 1 in the country. We five as a Team of Pandavas.

Working together to explore quality education in the field of education, of course we are running three good schools with great vision & mission. Now coming up with our new venture named ' SARDAR PATEL INTERNATIONAL SCHOOL' affiliated to CBSE Delhi, known for its excellence at national and international levels in the country, to impart quality education, vocational education, Sports and Co-curricular activities(C.C.A).

Our journey begins with new thoughts to develop underprivileged children those who have skills, mind, strength, alertness, self-motivation, emotions and positive attitude with all good human qualities.

***Now what is needed the most?** To take out their hidden talents and polish them to become good, responsible and Strong citizen of our country India.*

And we are here to take this great responsibility with the great support of our parents, teachers, students and the staff.

***Now what is exclusive?** looking to this competitive era where on every k.m. , INDORE is surrounded by big schools, big name and **what not?** Because we want to serve the society something different like our great leader SARDAR VALLABH BHAI PATEL.*

ABOUT SPIS

Who was known for his leadership qualities, extraordinary power of thinking, hardworkingness, dedication, devotion, togetherness, always worked for our great nation. Keeping this view in mind we are coming up soon, with a unique school having all norms required by the CBSE Delhi, at Kanadiya, Khatri Khedi village.

Our past experience of the three schools gave us lots of strength to create a glorious legacy of imparting quality education for the coming new session 2019-2020, through our new venture.

We have built the school building and campus in an area which is surrounded by the beautiful nature, Pollution and noise free environment, Now, which is good to think more deeply and get excellent results.

What is needed the most – is to impart quality education and enrich the students with the above facilities – 'TEACHERS' – facilitator play a very important role to nourish them affectionately with patience. No bookish knowledge, No much homework, No burden of bags, as we don't want to snatch their innocence and their **BACHPAN**.

We will give them full freedom to develop themselves with the new teaching methodology, technology with the utmost care and give them a homely environment. We nurture them, to face challenges in their life . so that they can handle all the situations of life smartly by using their knowledge and get success in the sphere of life,

Just like the great man **SARDAR VALLABH BHAI PATEL**.

And finally our learned team of five magnanimous directors, along with the principal/academic director, mentor, counselor, teachers and helpers are ready to set a benchmark in both academic and co-curricular fields thereby producing successful human beings, to build our nation more stronger.

MESSAGE OF THE ACADEMIC DIRECTOR

I love my children unconditionally nurture and nourish them with care and affection.

*“ **Child is Supreme** ” is an unwritten policy and it is the deepest desire in our heart to imbibe this policy and ethos of the school in everyone of Sardar Patel international School.*

Let us focus on making correct choices and help the students to do the same for the upliftment of youth.

We as a Team enable the students to be spiritually oriented, morally upright, intellectually knowledgeable , emotionally balanced, analytically thinking and socially concerned citizens.

The ambience and the pristine surroundings of Sardar Patel International School is extremely conducive atmosphere for learning and a healthy stay. But the infrastructure is only the body part of the residential school. The soul is the relationship between teachers and students and the bond they develop.

We give equal importance to both of them. We ask students to compete with themselves for their natural growth. It is our endeavor to transform students in such a way that they are physically fit, mentally resilient, morally strong and spiritually sound.

We believe that these are the necessary preconditions for all round development and growth of students. Hence, a holistic approach is the key to teaching and learning experience. The teachers at SPIS aim at combining scholastic achievements with the life skill essential for success.

Dr. Manju Vyas
Academic director
Sardar Patel International School

VISION

*To Prepare Dynamic and Caring Citizens of Tomorrow,
To meet the challenges of a Global Society,
While Retaining Their Traditional Values*

MISSION

*To become the top Co-Educational residential School.
We Teach us our Students to consider as an
Indian culture of our mission is not to simply
disseminate Knowledge to the students
but also to inculcate in them discipline, integrity
and Humanitarian Spirit with a positive attitude,
to imbibe social and moral values, in order to develop
a sense of national identity as
well as global citizenship*

- Mental Fitness center Like Yoga & Meditation.

GEETA GYAAN

Special Education

Bhagvat Geeta is all about finding strength. It is about finding mental peace, forgiveness, duty and above all, living an easy life.

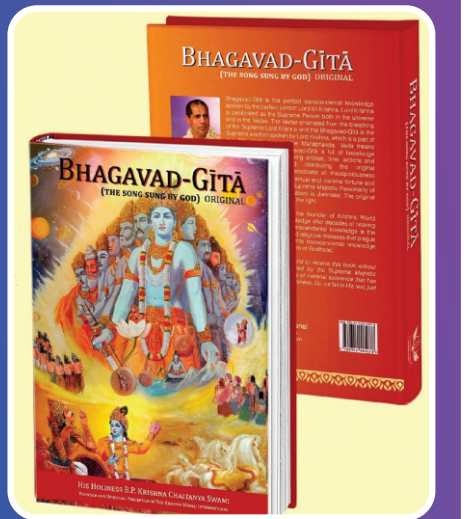

Bhagvat Geeta is a conversation between two charismatic personalities. The great warrior Arjuna and the Great Adviser Krishna.

**कर्मण्येवाधिकारस्ते मा फलेषु कदाचन ।
मा कर्मफलहेतुर्भुमा ते संगोऽस्त्वकर्मणि ॥**

“ You, have a right to perform your prescribed duty, but you are not entitled to the fruits of action. Never consider yourself to be the cause of the results of your activities, and never be attached to not doing your duty ”

This message was for Arjuna from Lord Krishna during the epic battle of Mahabharata when Arjuna was not ready to fight. Krishna gives him strength by providing the real philosophy of life of karma. he gives direction to woeful man needed a true reason to fight.

Bhagvat Geeta is hence the philosophy of life. There are so many Questions, so many fears we hid in ourselves. bhagvat Geeta speaks them out and resolves those problems.

ROLE OF TEACHERS

Our team of facilitators is well educated, equipped and experienced to nurture the creativity and imagination with affection and motherly care in today's technological scenario.
